Camar, let's provide Kevin the name of several clients so Kevin can hopefully advise when we speak if our clients signed arbitration agreements or not - - or Kevin, if you can advise if there is an arbitration program at the company? - Gregg

Hi Kevin. Thanks for your attached letter. We have spoken to about 12 or so GM's, all of whom feel strongly that their primary duties were non-exempt in nature. The range of salaries does fluctuate so I wonder if not all stores are equal, if some have different levels of staffing versus others. Please advise if you are free for a call next week to review the claims and defenses further. How does your calendar look for Monday, Tuesday or Wednesday? Thx.
